

CPE Credit

“Grow Your Knowledge And Gain The Credit You Need”

www.kianoff.com

A Little About L. Kianoff . . .

Since 1986, L. Kianoff and Associates, Inc. has been helping companies strengthen their business performance with some of the most widely used business management and accounting software systems. Our total solution includes needs analysis, software sales, project management and system implementation services by certified installers, trainers and consultants.

Our goal is to help you automate more processes and integrate systems to better manage and drive your business. Our reputation among clients, users and some of the area's top CPA firms is built on solid implementations, comprehensive training, broad business and software knowledge and top rank technical support.

Let us demonstrate how **“access to information”** can make you more effective and help your business run more efficiently. We look forward to the opportunity to show you how L. Kianoff & Associates, Inc. can champion your success!

Continuing Profession Education (CPE)

You need it... We've got it...

Let L. Kianoff & Associates be your source for some of the CPE credit needed each year by CPAs, accountants and other professionals. Many of our training programs, both on site at your company or in our in-house training center, are approved for credit by the Alabama State Board of Public Accountancy.

It's a win-win. You get the knowledge you need to be more effective on your business management and accounting software system AND it cuts down on your need to look elsewhere for CPE credit.

We offer a variety of ways to earn CPE credits:

- ✓ **Initial Training on all MAS 90 or MAS 200 modules is approved for CPE credit.**
- ✓ **All formal Classroom Training is approved for CPE credit.**
- ✓ **All our Customer Group Workshops are approved for CPE credit.**
- ✓ **All our CPA Lunch 'N Learns are approved for CPE credit.**
- ✓ **We offer complimentary tracking of CPE credits. Just let us know who needs credit and we'll forward time and credit confirmations after all qualified training.**

On Going Education is important. It will strengthen your performance. And now, you can also get extra credit for it.

For more information on L. Kianoff's CPE credit program, call Stephanie White at 205-592-9990 or email info@kianoff.com

All active CPAs must have 40 hours of acceptable CPE per year. 8 hours must be in accounting and auditing; no more than 8 hours in behavioral courses; no more than 20 hours in self study courses. Reported on annual registration each Sept. 30. Member must maintain records.

Alabama State Board of Public Accountancy's Rules and Regulations.
